

How to Track Progress of Standard/Enhanced DBS Applications

This guide provides essential insights on effectively tracking the progress of Standard and Enhanced DBS applications, ensuring you stay informed throughout the process. It simplifies the tracking procedure, helping you avoid unnecessary delays and confusion. By following this guide, you can efficiently manage your application status and gain peace of mind during the waiting period.

- 1 Click the **In Progress** category from the Dashboard

- 2 For Standard/Enhanced DBS applications that are currently in progress, a 'Track' icon will be available allowing you to see where in the DBS process the application currently is

3 Click the **Track** icon from the application list
